## Noted Medical Missionary Here Tomorrow Night

Dr. Robert Thomas, superintendent of Pittman Center, Tennessee, will be guest speaker at the First Methodist Church in a special "School of Missions" program tomorrow evening at 7:30.

A physician serving 200 square miles of the Tennessee side of the Smoky Mountains, Dr. Thomas has tended to the needs of the people in that area since 1921.

The Methodist leader started out as a minister in the Northern New York Conference, then went to the island of Penang to teach and preach. During this time the acute need for doctors caused him to return to the United States to study medicine, and then return to Malaya as a medical missionary.

After returning to the United States he joined the Pittman Community Center which he now heads.

## 'Soul and Body' Lesson Sermon

The glory of Soul and its practical effects upon human experience will be developed in the Lesson-Sermon "Soul and Body" in all Churches of Christ, Scientist, today.

The Golden Text reads, "The light of the body is the eye: if therefore thine eye be single, thy whole body shall be full of light." (Matt. 6:22)

Paul teaches in his first letter to the Thessalonians (5:18, 21, 23), "In every thing give thanks: for this is the will of God in Christ Jesus concerning you... Prove all things: hold fast that which is good... And the very God shall peace sanctify you wholly; and I pray God your whole spirit and soul and body be preserved blameless unto the coming of our Lord Jesus Christ."

Mary Baker Eddy writes in "Science and Health with Key to the Scriptures": "When you say, 'Man's body is material,' I say with Paul: Be 'willing rather to be absent from the body, and to be present with the Lord.' Give up your material belief of mind, matter, and love but one Mind, even God; for this Mind forms its own likeness" (p. 216).

The BOLA colored motion picture, "Jungle Indians," will be shown at the church Wednesday evening, Nov. 25 at 7:30. The film is a graphic presentation of jungle Indian life. Tribal practices such as sacred markings on the face of a young girl and binding the heads of infants were photographed.

The manual skill of the native is seen in their painstaking weaving and delicate painting. Many scenes will include jungle animals in their native habitat. The importance of missionary aviation in reaching such people is displayed, and the work of veteran missionaries who have patiently taught and guided the Indian is seen. DeSage, Rosemary Pittman, missionaries

## Reflections

By J. HUGH SHERFEY, JR. THANKSGIVING

God, with infinite wisdom, gave us a time to sow and a time to reap; Thanksgiving Day is a time when we may Thank Him for the harvest we have reaped.

Give thanks to Him for the simple things, for they're the seeds of all that's beautiful, all that's worthwhile in this life. A friend cannot be purchased, love of a child is priceless, to worship in the church of our choice has no market price yet they are simple things. Give thanks to Him for the opportunity to enjoy them. They're our richest harvest.

To live amicably with the things we have is Thanksgiving. To rear our children with faith, trust and freedom; to give them educational advantages, let them, with us, participate in spiritual feasts are a few of the things that underlie a sincere, reverent Thanksgiving.

In Peru who have spoken in the Waleria church, are seen in their jungle home where they have gone to translate the Bible into the native language.

## Thanksgiving Day Service Set at 9:30

Thanksgiving will be celebrated at First Lutheran Church, Acacia and Sonoma, with a worship service at 9:30 on Thursday morning, Nov. 26. Rev. Paul Wenske will preach on the theme, "Giving Thanks to God for Everything."

We in America have been blessed again in many wonderful ways. We have received plenty to feed and clothe our bodies. We have been able to enjoy many of the better things in life, as good education, wholesome places to work and earn a living, and many outlets for the tension of life. In our freedom of worship, all who wished to worship God have had the opportunity to do so in the churches of our country whose doors are open to all.

This year again we want to prove our faith by confessing that God has permitted us to have all these blessings. In our churches and with our families in our homes we want to show that we are grateful to God by sincere prayers of Thanksgiving to Him.

## Church Holds Turkey Dinner

A turkey dinner, sponsored by the building committee, was partaken of by friends and members of the First Christian Church last week.

Speakers explained the progress being made on the new church building at Onrado and El Dorado Sts. They also discussed future needs of the building program, both financial and physical.

Ladies of the different circles had charge of the cooking and serving of the dinner. A new circle was formed last week at the home of Mrs. Birney Morris, on Reynosa. Dr. Mrs. Dean Lougus was chosen as president and Mrs. Milton Huber as secretary. The group will meet at the home of Mrs. Huber, 3416 W. 187th Pl.

The CWF will hold their monthly brunch Dec. 1 at 9:30 a.m. with the theme "All the Madonnas of the World."

God made two great lights; the greater to rule over the day, and the lesser to rule over the night. He made the stars also. Perhaps you are discouraged. Maybe you think that you do not need... that you are not even needed in the church. Maybe you are blindfolded to the opportunities that are all about you. Remember, He made the stars also. He made you.

THOUGH it may seem dark all about you and you may think your icks are all in vain, God never creates worthless things nor useless lives. Sure, He needs great lights... great leaders, but "He made the stars also." He made you and me. As much as God needs great men He also needs small, humble ones to take stations as reflectors. He made the stars to reflect the light of the sun.

God uses the church to woo men to the better life. The church must have leaders, and the church also has many ordinary, humble people who trust God and walk by faith... blindfolded or not. God made the great Light, but to reflect the great Light to all His world, "He Made the Stars Also." He needs you.
